Whatsapp	:	8849004488
Web Site	:	https://www.stjohnsfirstaid.net
How to find Manufacturing Date	:	Refer the Lot No on the Pack. First 2 Digits are S.No. Second 2 Digits are Month of Manufacturing. Third 2 Digits are Manufacturing Year.

Application :

Sterile St Johns First Aid Wound Dressing (also called as Trauma Dressing) is a bandage that's designed to apply pressure to a particular area of the body. Typically, a Dressing has no adhesive and is applied over a wound that's been covered with an absorbent layer. The absorbent layer may or may not be held in place with an adhesive. Wound Dressing are used to control bleeding and encourage blood clotting without constricting normal blood circulation
